The St. Tammany Board of Control is introducing new Board of Control members, even though there is a Federal lawsuit against several of the St. Tammany Parish Board who appointed these new members. This case has not been ruled on yet because of Parish Board members

have stalled + evaded procedures of the court. I think that the appointment of new LOBC members has been unfair from the beginning of members who should have been allowed to finish their terms before any new members were appointed. The Parish Board is manipulating

LBOC members solely because the ^{Part 3h} board disagrees with
LBOC members views on where books, they consider
inappropriate are kept in the library. There needs to be
a wider group of people on the LBOC to protect
our rights against book banning. ~~All~~ board where
~~people needed to be~~ people's terms needed to be
staggered, should have been treated the same way.
The LBOC members were discriminated against.
